SING FOR THE CURE

And YOU'RE Invited To SING With Us!

Calling All Community Choral Singers!

Sing for the Cure is a narrated song cycle. With text based on the true stories of breast cancer survivors and their caregivers, the music for the 10 choral numbers was written by different composers, so as the moods and messages shift, so do the musical styles. This powerful piece offers an incredible cathartic experience for both performers and audience members, expressing the **fear**, the **courage**, the **humor** and the **hope** we all need in the face of cancer.

Rehearsal Commitment

- 8 Monday nights beginning August 2, at the Unitarian Universalist Church, 7 – 9:30 pm
(In Cotswold, 234 Sharon Amity Road, 28211, near Randolph Rd)
